FIRM 360°

A BRIEF OVERVIEW OF OUR PRACTICE AREAS

Administrative Law

- For over 20 years, MPP's attorneys have successfully represented clients in administrative proceedings and regulatory matters before a wide range of professional boards, federal and state agencies and local governmental entities.
- Highly experienced in all facets of administrative matters, our attorneys provide skilled counseling to licensed professionals, including assistance with licensing applications, board disputes, licensing complications, disciplinary actions and hearings, as well as associated national reporting matters.
- MPP serves a full spectrum of regulated professionals such as physicians, chiropractors, counselors, nurses, pharmacists, psychologists, realtors, architects, contractors and more.

CONTACT: John A. Hunt
702.697.7512
jhunt@mpplaw.com

Appellate Advocacy

- Over the years, MPP has earned a distinguished reputation in appellate advocacy.
- MPP has more than 100 published appellate opinions. Eight are landmark decisions from the California Supreme Court. Our appellate practice follows a collaborative procedure. Strategies are vetted at roundtable discussions by each attorney involved in the appeal. It's a process that works.
- It is this kind of experience and expertise that leads general counsels and other law firms to turn to MPP for their appellate matters.

CONTACT: Richard H. Nakamura, Jr.

Asbestos Litigation

- MPP is a leader in asbestos litigation; our attorneys were members of a defense steering committee responsible for coordinating and drafting the standard, court approved written discovery, case management orders and case evaluation forms still in use today.
- We have handled and/or monitored the handling of over 5,000 asbestos claims.
- Our cases have involved products such as thermal insulation, cement, gaskets, stucco, talc, pumps, roofing materials and textiles for industries such as the military, shipyards, refineries, residential and commercial construction.

Aviation & Marine Law

- Our Aviation and Marine Law practice has considerable depth of knowledge of the transportation industry and of the regulatory and liability environment in which it operates. We represent all types of transportation clients, including airlines, trucking companies, ocean carriers, aircraft and component manufacturers, banks, cargo and shipping companies, freight forwarders, corporate aviation departments, leasing companies, and repair stations.
- In general, we advise and assist our aviation clients with a wide range of general and specialized issues, including employment and environmental matters, mergers and acquisitions, entity formation, joint ventures, real estate transactions, office and hangar leases, and architect and construction contracts.
- We have advised our clients in connection with aircraft modification and certification matters, repair station compliance, government contracts, and the purchase, sale, financing, and leasing of aircraft and engines.
- We represent our aviation and marine clients before state and federal administrative agencies, as well as trial and appellate courts, in a wide range of litigation and arbitration proceedings, including: cargo claims, products liability, personal injury, salvage, aviation insurance, marine insurance, toxic torts, leasing and financing, employment disputes and regulatory compliance.
- We have over thirty years of jury trial experience in federal and state courts representing carriers, aircraft owners and operators, commercial rotorcraft operators, manufacturers, fixed-based operators, pilots, mechanics and municipalities. Our vast experience as trial attorneys allows us to propose resolution strategies that avoid prolonged litigation or the possibility of being sued in the first place.

Commercial Property Management

- MPP has a long-standing history of successfully representing companies and firms involved in the ownership and management of commercial properties - our attorneys take each client's unique business philosophy into account.
- MPP provides each client with a global litigation strategy aimed at concurrently decreasing both the number of claims and the fees associated with such claims.
- Our services include evaluating each client's hiring/training procedures, risk management protocol concerning the investigation of new claims, and contracts with multiple third-party vendors in order to increase the chance of successful tenders of defense and indemnification.
- Our lawyers have successfully represented clients in the commercial property field in a myriad of claims arising out of premises liability scenarios: injuries associated with alleged dangerous conditions on property, potential liability for the criminal actions of third parties, claims of false arrest, disputes concerning landlord/tenant lease compliance, and disagreements with third-party vendors regarding contractual responsibilities.

Construction Law

- Our Construction Law practice has tried, arbitrated, and mediated hundreds of construction claims and disputes.
- Many of our construction attorneys have studied and/or practiced within the construction industry, some as registered architects and engineers, allowing them to apply unique knowledge to construction matters.
- We have a wide range of experience, including: review

and drafting of contracts; delay claims; claims of defects; mechanics' liens; and stop notice issues.

- We assist in disputes arising before, during or after construction.

Corporate Transactions

- MPP provides a wide-range of services and advice on business matters. Our areas of expertise include: corporate, securities, financing, real estate and international business transactions, company disputes, employment, licensing, mergers and acquisitions, non-profits, non-public debt / equity offerings, sales of companies, start-ups and corporate / LLC / LP formation, and general financial transactions.
- Our lawyers represent domestic and international businesses, ranging from family-owned small businesses to Fortune 100 companies, in a broad range of industries including: apparel, banking, entertainment, food and beverage, financial services, health care, high-tech, insurance, IT / internet sales and services, manufacturing, media and public relations, nonprofit entities, real estate development and services, restaurants, retail chains and transportation.
- Our goal is to provide our clients with both the specialized legal skills needed to deal with particular problems and a high level of experience in business transactions and management issues. Our combination of expertise and experience increases our value to clients both as advisors and as integral members of their business team.

Directors and Officers Liability

- Members of the firm bring to bear their proven expertise in a wide variety of cases involving claims against corporate directors and officers.
- Obtained summary judgment in favor of officers and directors of a water company as well as obtaining an

award of \$250,000 against the plaintiffs. In addition, members of the Firm supported successful efforts by prosecuting authorities, which resulted in the plaintiffs pleading no contest to criminal charges and being ordered to pay over \$80,000 in restitution to the company.

- Obtained summary judgment on behalf of numerous board members, former officers and CEO in claims including fraudulent transfers and alter ego in judicially coordinated proceeding involving dozens of parties.
- Successfully represented individual and corporate defendants in shareholder derivative actions.
- Negotiated favorable settlement (including covenant not to execute and release of a portion of primary policy) of multimillion dollar claims against former officers and directors, including self-dealing, misuse of corporate funds in violation of loan documents for transfer to affiliates within zone of insolvency.
- Successfully defended members of homeowners' association board against director claims.
- Obtained multimillion settlement and payment of claims involving officer's fraudulent assurances of solvency to vendors, case involved litigation of claims in multiple jurisdictions, including defendant's personal bankruptcy.
- Prevailed at jury trial on breach of fiduciary duty claims by corporation against former vice president who transmitted confidential information to competitor.

Employment Law

- We represent employers of all sizes, in all aspects of employment litigation, and have successfully tried employment cases.

- We have experience in numerous areas, including: discrimination; public policy wrongful termination claims; wage and hour questions; hiring and firing decisions; leaves of absence; retaliation; defamation; claims of harassment; workplace violence; stock option disputes; and disability suits. Our services also include review of employment contracts and handbooks.
- We minimize exposure before litigation ensues, (reducing our clients' cost of doing business), and we handle issues promptly, efficiently, and with mutual respect and cooperation.
- We familiarize ourselves with all aspects of our clients' operations, and provide individual counseling and training to supervisors and managers.
- We track all legal and legislative issues affecting the employment relationship, and we keep abreast of both factual and legal developments affecting each pending case.

Insurance - Third Party Liability Coverage

- Defense and enforcement of rights under liability insurance policies has been a key focus of Morris Polich & Purdy's practice since the firm was founded in 1969. Over the years and continuing to the present, we have successfully litigated precedent-setting cases concerning liability coverage. In doing so, we have played a leading role in shaping California and Nevada insurance law.
- The firm has provided advice and representation for insurers in literally thousands of matters involving virtually every type of liability coverage. Our insurance group has litigated individual coverage cases involving billions of dollars in underlying claims. This includes, for example, liability coverage disputes involving asbestos and other toxic exposure claims, environmental damage, class action employment discrimination, intellectual property, construction defects, and professional liability exposures.
- Our The insurance group is composed of top-rated insurance coverage advisors and litigators. We represent numerous longstanding insurance industry clients.

Regulatory & Licensing

- Regulatory and Licensing attorneys at Morris Polich & Purdy LLP have years of experience in securing business licenses for clients that range from mobile food carts to multi-billion dollar casinos. Whether you wish to secure necessary licenses for a music, food or beverage festival, promote a concert or a prize fight, or operate an arena with seating for thousands, we have the experience to advise and guide you through the regulatory and licensing maze. In the world of alcohol licensing, which often requires compliance with complex regulatory issues like Federal and State "Tied House" laws, we have the knowledge and experience you need to open and operate your bar, restaurant or nightclub, and to handle any compliance issues that might arise after your doors are open.
- Our attorneys also have experience before a myriad of professional licensing agencies. For healthcare, we have practitioners with experience before various medical licensing boards, as well as the Board of Dental Examiners, the Board of Pharmacy, and the Board of Oriental Medicine, among others. For building and construction, we have experience before the State Contractors Board and city and county licensing agencies, as well as building, health and fire safety regulatory bodies. For gaming and entertainment, we have practiced before the Gaming Control Board and the State Gaming Commission, the Nevada Athletic Commission, and the US Treasury Department's

Financial Crimes Enforcement Network (FinCEN).

Whatever occupational licensing body regulates your profession, we have the necessary regulatory and licensing experience to not only get you in business, but to keep you there.

Transportation

- MPP represents numerous trucking entities in California and Nevada, involving both inter and intrastate transportation. MPP also represents entities that operate tour buses including local tours as well as tours that take passengers to casinos or other out-of-state locations. These claims often involve catastrophic injuries and complicated accident reconstruction theories. MPP has a

team of attorneys ready and able to handle the toughest claims in these fields.

- MPP also has a growing department regarding non-emergency medical transport vehicles, one of the fastest growing segments of the transportation field. From minor fender benders to wrongful death claims, more and more are filed every week. These claims often involve intricate causation patterns as the injured parties often are elderly, frail and suffering from numerous ailments.
