Eight Morris Polich & Purdy LLP Partners Selected as Super Lawyers for 2009

Los Angeles, CA --- Morris Polich & Purdy LLP is pleased to announce that eight partners have been recognized by Super Lawyers this year as some of the best lawyers in their respective practice areas: Jeffrey S. Barron, David L. Brandon, Anthony G. Brazil, Marc S. Katz, Walter J. Lipsman, Richard H. Nakamura, Douglas C. Purdy and Donald L. Ridge.

Super Lawyers are nominated either directly by other lawyers, or through detailed review of legal periodicals, journals and databases. Nominees are selected based on many factors, such as: verdicts, representative clients, experience, honors, awards, special licenses/certifications, community involvement, as well as speaking and writing experiences. The candidates are then evaluated by panels of peers, and the lawyers that are ultimately selected represent the top five percent in their geographical region.

"We are delighted that, once again, a group of our attorneys has been selected as Super Lawyers. This is the sixth year that MPP has been included in the selection," says George Brandon, MPP's Director of Business Development and Marketing.
